### The Disclaimer/Locate Policy

<ul style="list-style-type: none"> <li>• The utilities listed by the Dig Line Customer Service Agent and electronically notified by Dig Line, Inc. are the only underground facility owners that will be notified of your request.</li> <li>• Any other known non-Digline member facility owners are your responsibility to notify pending excavation.</li> <li>• Once the underground facilities are marked, it is required by Idaho Code to hand-dig 24 inches on either side of the marked facilities. Depth is not guaranteed.</li> <li>• Locate requests are only valid for 3 weeks after the request is made as long as site conditions have not changed.</li> <li>• The description of work including the address information is the only area to be located.</li> </ul>	<ul style="list-style-type: none"> <li>• Emergencies are defined as any condition constituting a clear and present danger to life or property, or a customer service outage. Utilities will respond as soon as possible. No matter how the start date and time may read on the ticket itself, you will <b>NOT</b> be clear to dig until all member companies have responded in some way.</li> <li>• I understand I am not clear to excavate until all utilities have contacted me or marked their facilities.</li> <li>• Dig Law requires you to call in no more than 10 days and no less than 2 days from planned excavation. If you do not begin your work within 10 days, you must recall locate.</li> <li>• Utilities do not mark private lines, including lines considered to be owned by the property owner, such as sewer &amp; water laterals.</li> </ul>
